

WORKSHOP

Creative Writing for Everyone!

07.10., 28.10, 18.11, 09.12, 13.01, 10.02
18-19:45 Uhr
Online

In our generative workshops, you can explore creative writing with a variety of topics. In each meeting, a new prompt or inspiration – a text, a photo, sounds, individual objects – will be the starting point for your writing in the meeting. This is accompanied by a series of specific, yet open questions that aim to lead you to a piece of writing at the end of the workshop.

Everyone is very welcome to join our meetings, including everyone with no experience in creative writing. The meetings do not build on each other, so you can come along to any meeting you like. We will meet online every three weeks.
